CARTE POSTALE.

TRADE MARK

Oxford, Catherine Street. The most beautiful city in England and with few compeers on the Continent, Oxford—"a city of spires and palaces in a vale of streams" has been for centuries one of the show-places of the world. Its architectural glories and beauty of situation; its ensemble of churches and colleges, meadows and gardens, towers and pinnacles; no visitor will ever forget his first glimpse of "Oxenford's loveliness."
